 **10,000**

Trees planted by your purchase

These trees will be planted within the next 12 months. If a tree dies within its first 3 years, a new one will be planted at no extra cost.

 **650**

Tons of CO₂ removed from the air

This estimate considers the trees' first 20 years and is based on data from Winrock and Global Forest Watch.

Ecosia Trees are planted to restore ecosystems, not offset carbon emissions.
